

School Library Association OF NEW SOUTH WALES

SLANSW RESEARCH GRANT

Award criteria:

- The research project will have the potential to contribute new knowledge or enhance practice in regard to teacher librarianship and/or school libraries.
- As well as supporting the professional growth of the recipient, the research should benefit teaching and learning in the recipient's school community.
- The research project will be conducted in accordance with ethical guidelines for research adapted from the guidelines provided for research in the Catholic, government, and independent sectors of New South Wales.
- The project must be commenced and completed within 12 months of the grant being awarded.
- The recipient will provide tri-monthly reports to the SLANSW Management Committee regarding progress of the research project.
- The recipient will be required to present a report on the research at a professional learning event, as determined by the Committee, within 12 months of the project's completion. Within that timeframe, the recipient will also be required to provide a written report on the research for dissemination to the membership.
